b) Read the given unseen passage. 1×4=4

Growing up is not a simple process. Generally people take it as growing in age. It, in fact, means psychological maturity. Growing up actually gets reflected in our behaviour, our attitude to life and our reactions to different odd situations. We are really grown up when we become mentally and emotionally mature enough to encounter the hardships and challenges of life smilingly. Growing up, indeed, is a continuous process which gets strength from our experience, our self confidence and strong will and thus we learn to face our life boldly and confidently.

i) Make a précis of the above given unseen passage in about one-third of its length and give a suitable title.

OR

ii) Read the above given unseen passage and answer the comprehension questions:

a) What is not a simple process?

b) Where does growing up gets reflected?
